10 25 50 100

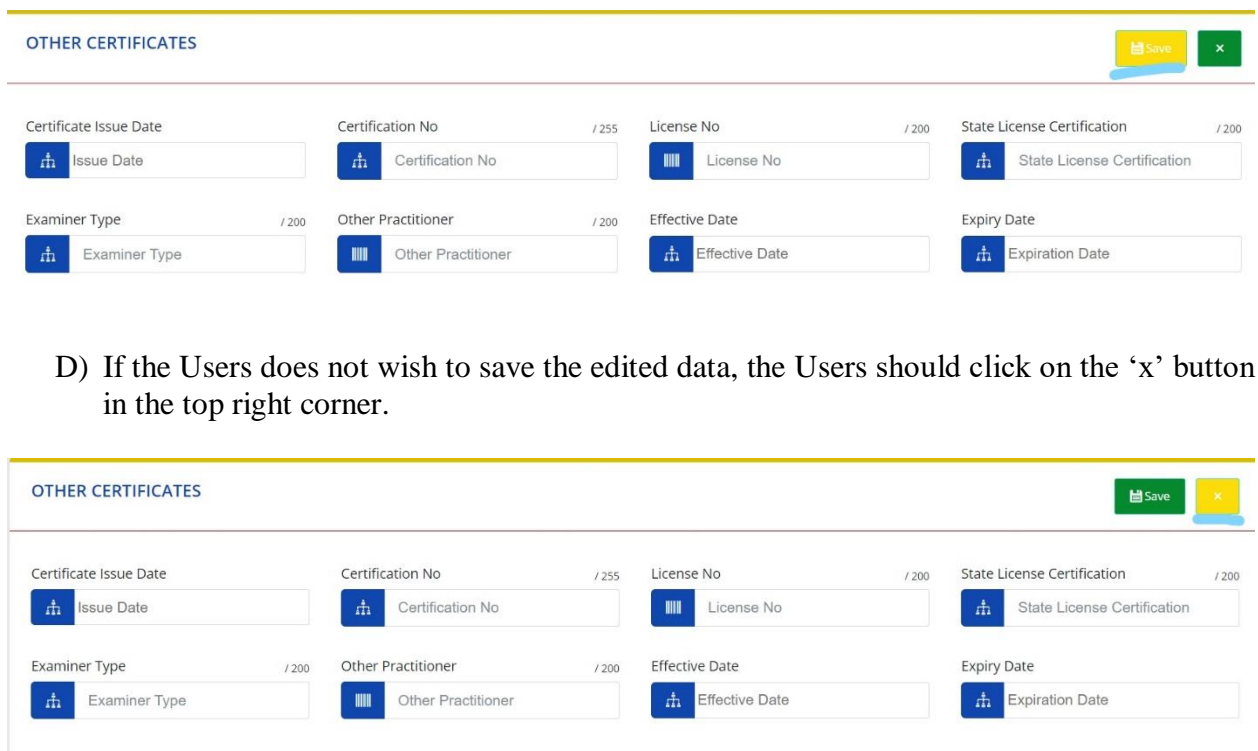

B) The Users can edit the already existing data by clicking on the edit button underlined below.

The screenshot shows a table titled "OTHER CERTIFICATES" with a green "+" button in the top right corner. The table has the following columns: Issue Date, Certificate No, License No, State License Certification, Examiner Type, Other Practitioner, Effective Date, Expiration Date, and Action. A single row of data is visible: 03/09/2021, 123456, 7890, ABCDE, None, XYZ, 03/01/2021, 03/31/2021. The "Action" column contains a blue pencil icon labeled "Edit" and a red "X" icon. Below the table, there are pagination controls with buttons for 10, 25, 50, and 100 items per page.

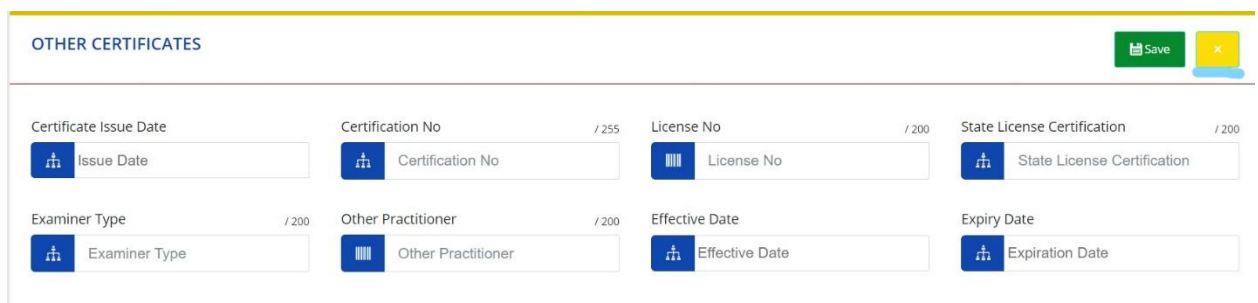

Issue Date	Certificate No	License No	State License Certification	Examiner Type	Other Practitioner	Effective Date	Expiration Date	Action
03/09/2021	123456	7890	ABCDE	None	XYZ	03/01/2021	03/31/2021	<a href="#">Edit</a>

C) The following page will appear after the Users clicks the edit button. Upon editing the data, the Users can save the by clicking on the 'save' button.

The screenshot shows the "OTHER CERTIFICATES" edit form. It features a green "Save" button and a red "X" button in the top right corner. The form contains eight input fields, each with a blue icon and a character count: "Certificate Issue Date" (/ 255), "Certification No" (/ 255), "License No" (/ 200), "State License Certification" (/ 200), "Examiner Type" (/ 200), "Other Practitioner" (/ 200), "Effective Date" (/ 200), and "Expiry Date" (/ 200). The "Save" button is highlighted with a blue underline.

D) If the Users does not wish to save the edited data, the Users should click on the 'x' button in the top right corner.

This screenshot is identical to the previous one, showing the "OTHER CERTIFICATES" edit form. However, the red "X" button in the top right corner is highlighted with a blue underline, indicating the option to cancel the edit.

E) The Users can delete the added data by clicking on the delete button that has been underlined below.

OTHER CERTIFICATES								+	
Date	Certificate No	License No	State License Certification	Examiner Type	Other Practitioner	Effective Date	Expiration Date	Actions
